

*Thank you for Purchasing an Electronic Gift Certificate
at Lauterer.com.*

The e-mail correspondence this document is attached to, contains the "Gift Certificate Code, Confirmation Number, Expiration Date and the Dollar Value of your Gift Certificate(s).

To make a purchase, only the Gift Certificate Code is required.

The confirmation number is the original order number on which the certificate was purchased. Should you ever want to verify the amount of any unused balance, this confirmation number will be helpful.

This Gift Certificate is valid for one year from the original date of purchase.

The easiest way to use a gift certificate is on the www.Lauterer.com web site.

The gift certificate can be used for payment towards any of our products or services. All the user needs to do is enter the Gift Certificate Code during the order checkout process. The certificate value is automatically applied to the order. The certificate balance can be combined with any other accepted method of payment. Any remaining balance can be used for future payments or purchases.

You don't have to make your purchase on the web site.

If the recipient of this certificate prefers to place an order in person, at our showroom, by phone, mail or fax, he or she is welcome to apply any unused balance toward any purchase.

Within the one year, upon a written request, any certificate can be cashed in for the balance remaining, less a \$5 service fee. Both, the Gift Certificate Code and Confirmation Number must both be provided in the written request.
